HEALTH REQUIREMENTS FOR DOMESTIC ANIMALS AND POULTRY.

Horses:

(Equine Infections Anemia) All horses or other equidae imported into the State of Maine must show evidence of being tested and found negative to the Coggins test within six months of entry. All horses from within the state must have a negative Coggins test done within 36 months.

Cattle:

Permit required for all cattle imported into the State of Maine. All breeding bovines imported into the State of Maine must be tested within 30 days prior to date of entry for both Tuberculosis and Brucellosis (except official vaccinates under 18 months of age). No Brucellosis or Tuberculin test is required for cattle in the state if they originate directly from herds within the state, not under quarantine. Tuberculosis test required on steers and oxen imported into the state. Each exhibitor of livestock will assume full responsibility for compliance with all Maine State Health requirements.

Poultry:

All poultry shall originate from flocks that have an official pullorum-typhoid clean rating.

Quarantine:

No domestic animals or poultry originating from herds or flocks under quarantine shall be permitted on the fairgrounds. Domestic animals and poultry offered for show or exhibition and at any fair, livestock or poultry show and/or exhibition, showing evidence of external parasites, foot rot, shipping fever or other disease, may be excluded from

and ordered removed from such fair, livestock or poultry show and/or exhibition. Otherwise situations will be handles as the director of said division of animal industry may direct. All domestic animals and poultry originating outside the State of Maine must meet the same requirements to show as are required for entry into the state.

Warts: Warts will be classified as an infectious disease, with the exception of 4-H club slaughter steers with warts may show at fairs at which they are sold immediately for slaughter, providing they are stabled in an area satisfactory to the Commissioner or his agent, and that no other cattle shall be house in this area until it has been cleaned and disinfected.

produce unnatural animation.

Minimizing the effects of cramping by feeding or injecting drugs, depressants or applying packs or using artificial contrivance or therapeutic treatment except normal exercise.

Blocking the nerves to the foot to prevent limping by injection drugs.

Striking the animal to cause swelling in a depressed area.

Surgery of any kind performed to change the natural contour or appearance of the animals body, hide or hair. Not included is the removal of teats and horns, clipping and dressing of hair and trimming of hooves.

Insertion of foreign material under the skin.

Changing the color of the hair at any point, spot or area on the animals body, including the blackening of a gray spot.

The use of alcoholic beverages in the feed or administered as a drench.

Administration of a drug of any kind or prescription internally or externally prior to entering the show ring, except for treating a recognized disease or injury and for tranquilizing bulls 2 years old and over. For the purpose of these rules, the term "drug" shall mean - any substance, the sale, possession or use of which is controlled by license under federal, state or local laws or regulations and any substance commonly used by the medical or veterinary professions which affect the circulatory, respiratory or central nervous system of a cow.

The use of any drug, stimulant, depressant, or medicine which might affect the natural performance of any team entered is forbidden. The association reserves the right to require any team entered in a drawing match to be subjected to the saliva test or any other test for the purpose of determin-

ing thereby the presence of any such drug, stimulant, sedative, depressant or medicine. The test may be taken at such time and for any reason which the Fair Officials, in their sole judgement, consider advisable. The test or tests required, will be taken by a qualified veterinarian, to be designated by the Fair Officials, and will be examined by a qualified laboratory or technician, also to be designated by the Fair Officials. Should any test taken by virtue of the foregoing regulation result in a positive finding of the presence of any drug, stimulant, depressant, sedative or medicine, the person or persons entering the team on which said positive test was taken will forfeit to the Fair all premiums won at the fair by said team, and will be subject to such other action with respect to future competition at the Fair as the Fair Officials may determine.

Criticizing or interfering with the judges or other exhibitors while in the show ring or other conduct detrimental to the breed or show.

Children under the age of 9 will not be allowed in show rings, with the exception of 4-H show rings.
